The image shows a Windows command prompt window with a red title bar. The title bar text is "MINGW32:/c/Users/Zhen/Documents/assignment2\_cargosyst...". The window contains a list of Git commit messages and file edits, displayed in a monospaced font. The commits are listed in chronological order from top to bottom. Each commit entry includes the commit hash, the author's name and email, the date and time, and a description of the changes. The descriptions mention "CargoTextArea.java" and "ManifestException.java" being edited online with Bitbucket. The window has a vertical scrollbar on the right side.
